

Thank you for considering Flat Branch Soap Co. for your next fundraising event!

#### Why choose Flat Branch Soap?

Handmade soap is a great product to offer for fundraising, whether you are part of a large or small organization. After all, everybody needs soap, don't they? We also have a line of body creams that are very popular and would be a great addition to any fundraising event. Our products are carefully and locally made by hand and are very reasonably priced. By choosing us for your fundraising needs, you can be sure you are giving your supporters a quality product they will be proud to give as a gift or may even decide to keep for themselves!

#### How much will my group earn?

Your organization will keep 40% of all sales. We require no minimums and no up-front purchases. And here is a bonus - all orders associated with your organization that are placed within the first month after the fundraiser has closed and product has been delivered, we will donate 20% of those sales back to your organization!

#### How does this work?

We will provide you with a list of products we recommend for fundraising events along with suggested retail prices. We will work with you to put together an appropriate selection of items for your organization to sell, along with prices and all other details for your fundraiser. We will then create a custom brochure which will include color pictures, descriptions, and retail prices. We will also provide a customer order form and a master order form. Your organization is responsible for duplicating brochure and customer order form within your group. We will be happy to provide these materials for a small fee. Your organization sells the products, collects payments (when orders are placed), then compiles a master order and submits it to us. You send one payment to us for 60% of your total sales with the master order. Please allow 3-6 weeks for delivery. We will provide an exact delivery date when we receive your master order. Soap and lotion will be individually packaged and labeled, then sorted and bulk packaged for your convenience. For organizations that are not local and require shipping, we will use the most affordable (and safe) shipping method and your organization will be responsible for shipping charges.

If you are interested in a seasonal fundraiser (ex: Fall or Christmas) please contact us and we can include a list of products that are seasonal favorites.

If you would like to discuss your next fundraising event, please contact us! We would like to hear about your organization and help you reach your fundraising goals!
